Application Guidance for International Education Programs

Applicants can choose Pre-med program, Bachelor (MBBS/Nursing) programs, or Postgraduate (Master/Master-doctor/Doctoral) programs in our university. All current programs are taught in English. Please refer to school website-admission for the details of each year admission brochures where you can find the application time range and other related information. However, if there is any change such as change of application deadline due to actual situation, school will update the information in the news list of the online service system directly. SIE provides students with scholarships of different types, such as XZMU President's Foundation Scholarship, Special Scholarship for Nursing Program and University Excellent Student Scholarship. Lock your seat in ideal program with scholarship early!

Please carefully read the following steps one by one before you start your application:

Procedures for application:
