Message from the President

President of Northwestern Polytechnical University
Wang Jinsong

Welcome to Northwestern Polytechnical University (NPU) in Xi'an—an ancient cultural city known worldwide.

Adhering to the school motto of "Loyalty, Integrity, Courage, Perseverance", NPU strives to be an open multidisciplinary research university. The core mission of the Northwestern Polytechnical University is to achieve excellence in talents training, multidisciplinary researches and public social services.

Student-oriented, NPU provides superior and comprehensive educational opportunities for different levels.

Research-directed, NPU contributes to the advancement of science and technology through the challenges in scholarly innovation.

Responsibility-aimed, NPU serves as a catalyst for the development of our country and nation. NPUers thrive to pursue the excellence in an open, collaborative, and innovative culture.

Today's university owns rich resources across time and space, and its influence is spread out worldwide.

No matter you are a student or a scholar, we are happy to meet you here and welcome you to join us. We treasure the chance to know each other, and the ideals we share. Let's work together to create a bright future.
